

Dear Silver City Community Members.

**Silver City Smart Meters
are NOT mandatory.
We can stop this as a community.**

**It has been done in other communities our size around
the country.**

We are gathering support to get rid of the Smart Water Meters that have been already installed as well as prevent further ones from being installed. We are also mobilizing to prevent the Smart Electric Meters and gas meters from coming to Silver.

We need your help and we must act quickly.

We are in the process of creating a new petition that meets all the legal requirements. If you have already signed the old petition, please be advised that it may not be valid and we will need your contact information in order to contact you to sign the new petition.

Please e-mail us at smartmeterfreesilvercity@gmail.com and give us your name, e-mail, and phone number so that we can keep you posted on ongoing events and progress leading to a Smart Meter Free Silver City.

**Help us create a healthier and vibrant
community.**

please watch the documentary Take Back Your Power at
the following link: vimeo.com/120615844

(the movie begins at 8.17 seconds into the playback.)
